SITW Treasurer's Report

To whom it may concern:

The names on the SITW checking account have been changed so that only Matt F. (the SITW treasurer), Jake B. (the SITW chair), and Gene (the controller) are listed on the account. Any other members names have been removed from the account. The current balance as of Sat. Nov. 30th, when the account names were changed, was \$1500.

At both the first and the second SITW subcommittee meetings I informed the subcommittee members that I will be broadening my base to achieve a higher point of freedom by attending an NA convention where NA was started in California the same week as area next month in January. After stating this at the second SITW subcommittee meeting, the subcommittee voted to handle all financial matters when I will be in California without informing Gene that he would have to stay after at area to be the second signature on the checks. I was the only member who voted against this and believed that it would make more sense to handle SITW financial matters at the actual SITW subcommittee meetings. I have given the checking book to Jake so that hopefully everything can be handled while I am expanding my network on a trip that has been planned since before the SITW subcommittee was formed.

-Matt F. (SITW Treasurer)
